TECHNICIAN RELIEF SERVICES

RELIEF TECHNICIAN SERVICES

I am an Independent Relief Technician (CVT) that is licensed, bonded, and insured. I have over 28 years of experience with small animal, avian, and exotics. My main goal and purpose is to help clinics fill the gaps in staffing until they can find a permanent team member, or just allow clinics the ability to give their existing, deserving staff time off. Or to use that vacation time /PTO that expires at end of year (use it or loose it) or for the daily call outs that happen 3 minutes before clinic opens.

Please call, text, or e-mail me any questions you have , or to book any shift. I am also available for meet and greets 😊
